[Sign In](#)

Use a computer or mobile browser to access the website below. Check “I confirm...” and “I understand...”, then click Continue to begin registration.

Set up your login details

Open your KYC system account so you can submit materials and continue toward your APP account.

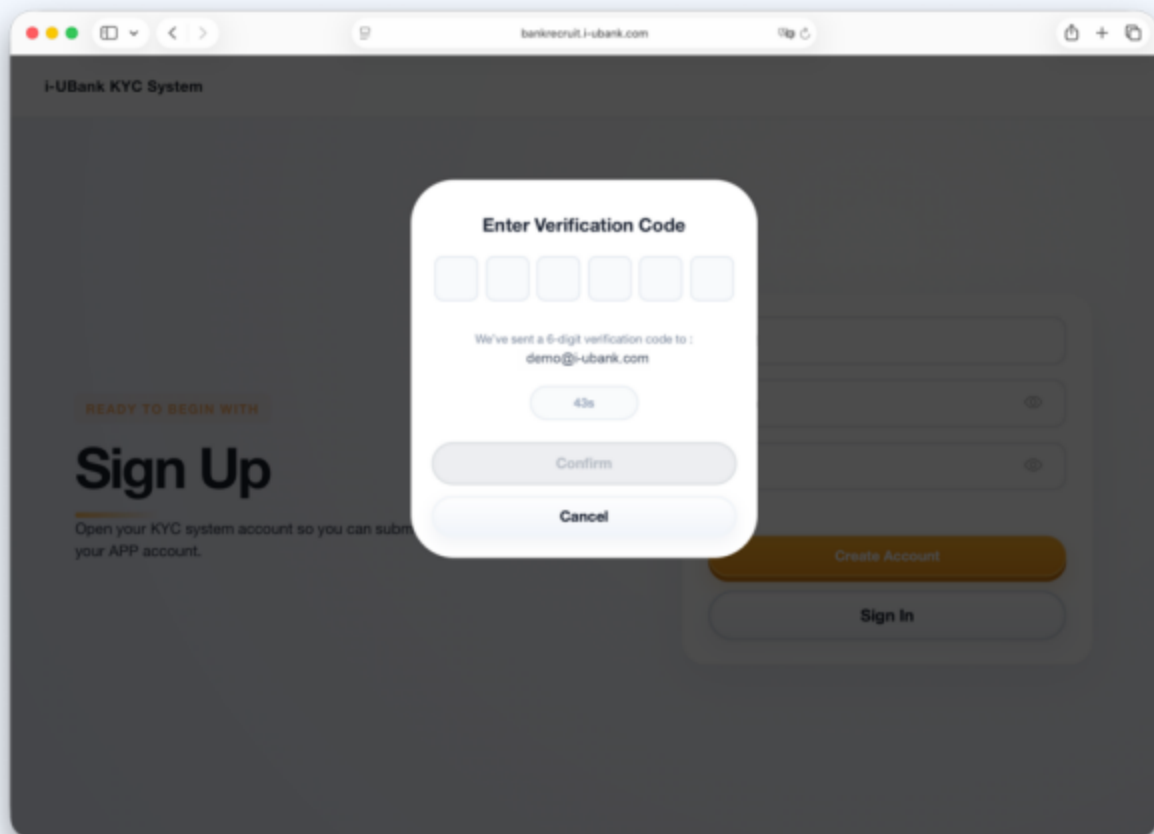

[Create Account](#)

[Sign In](#)

Follow the instructions on the registration page to set up the login account for the application system (**email format**) and your login password, then click **Create Account**.

The system will send an email containing a **6-digit verification code** to the email address linked to the registered account.

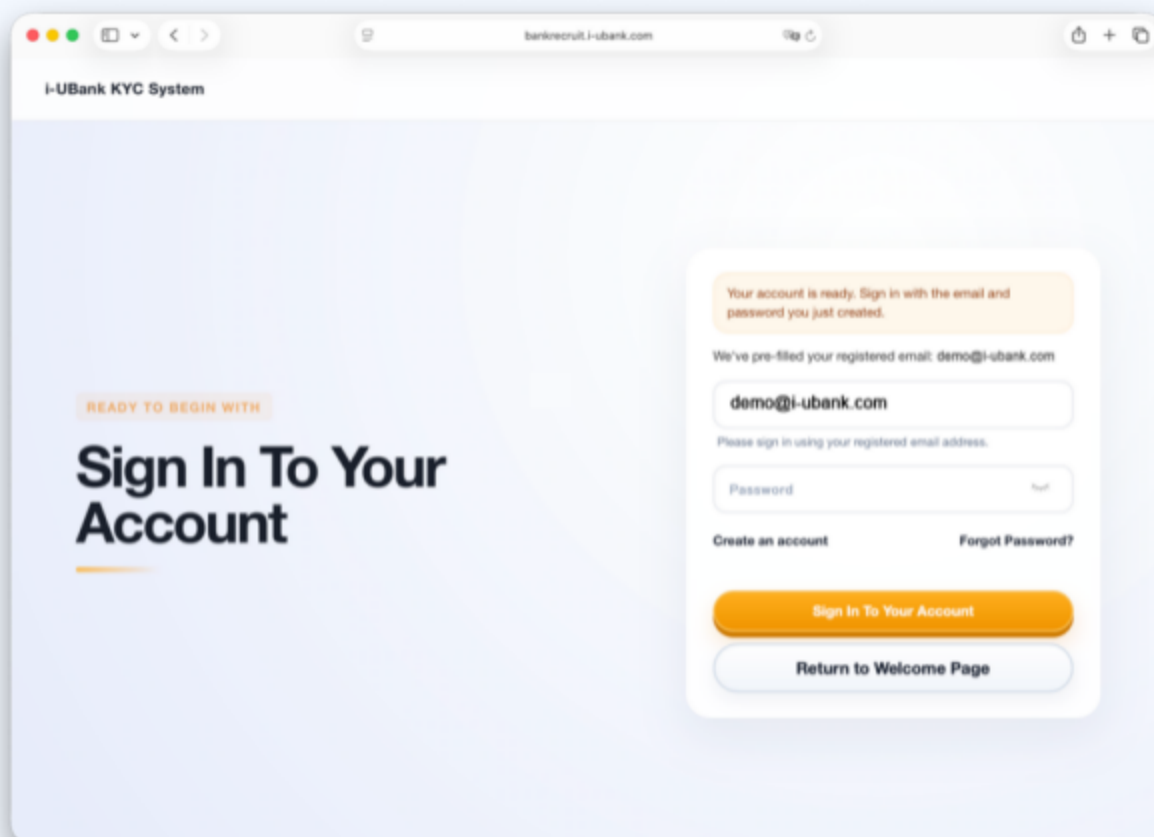

Complete email verification

Enter the verification code and click **Confirm** to complete account registration. If you do not receive the email, please check your **spam** or **junk folder**.

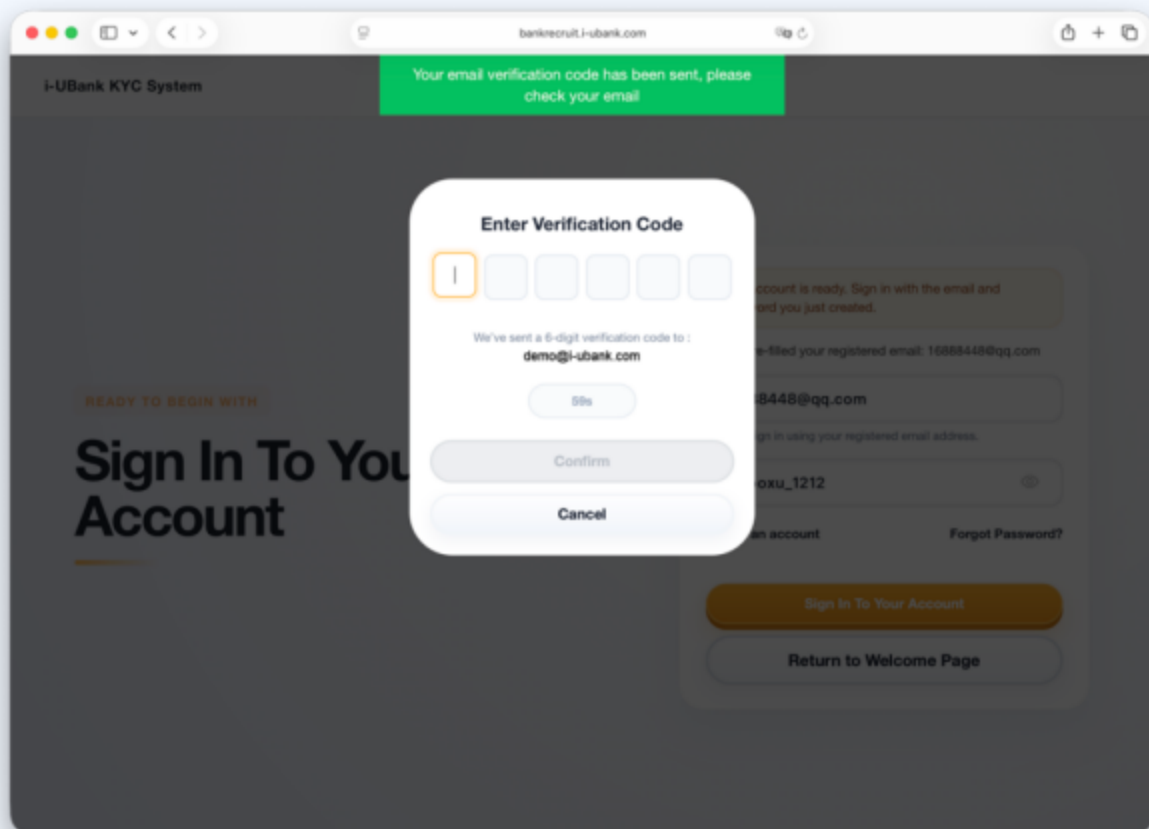

Step 2: Sign In and Complete KYC

Sign in to your account

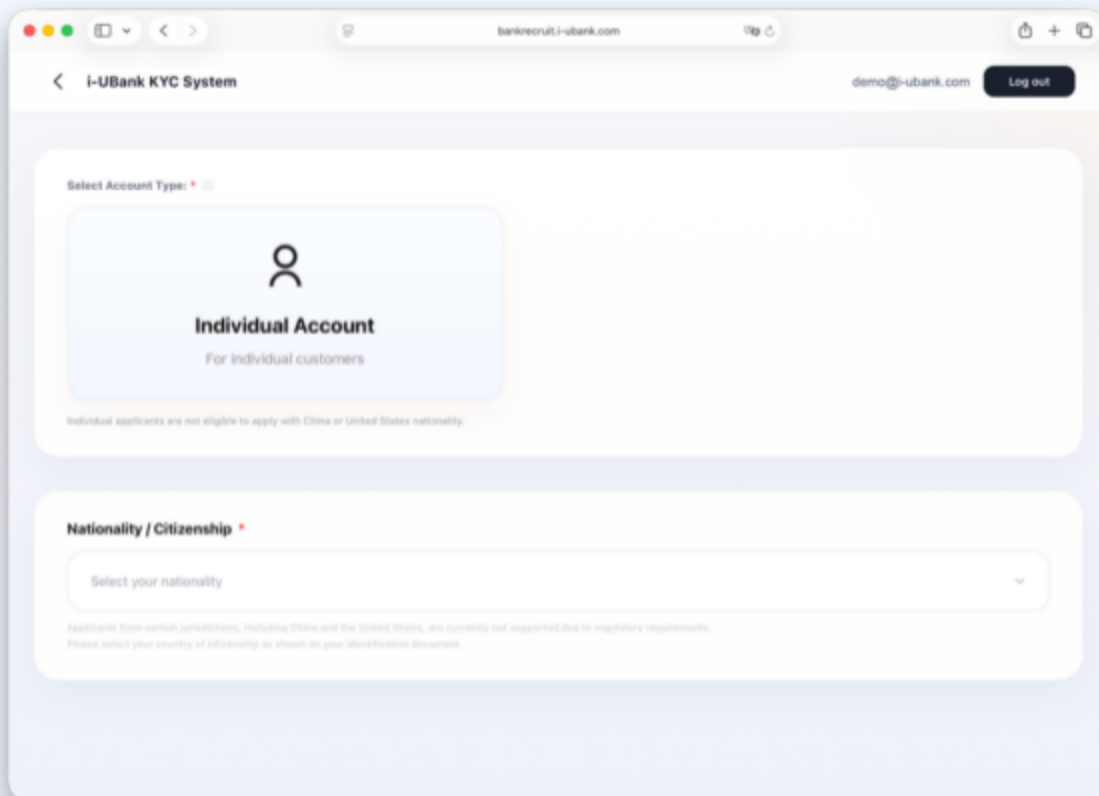

After registration is completed, the system will redirect you to the **Sign In** page. Enter the account and password you just created, then click **Sign In To Your Account**.

Complete sign-in verification

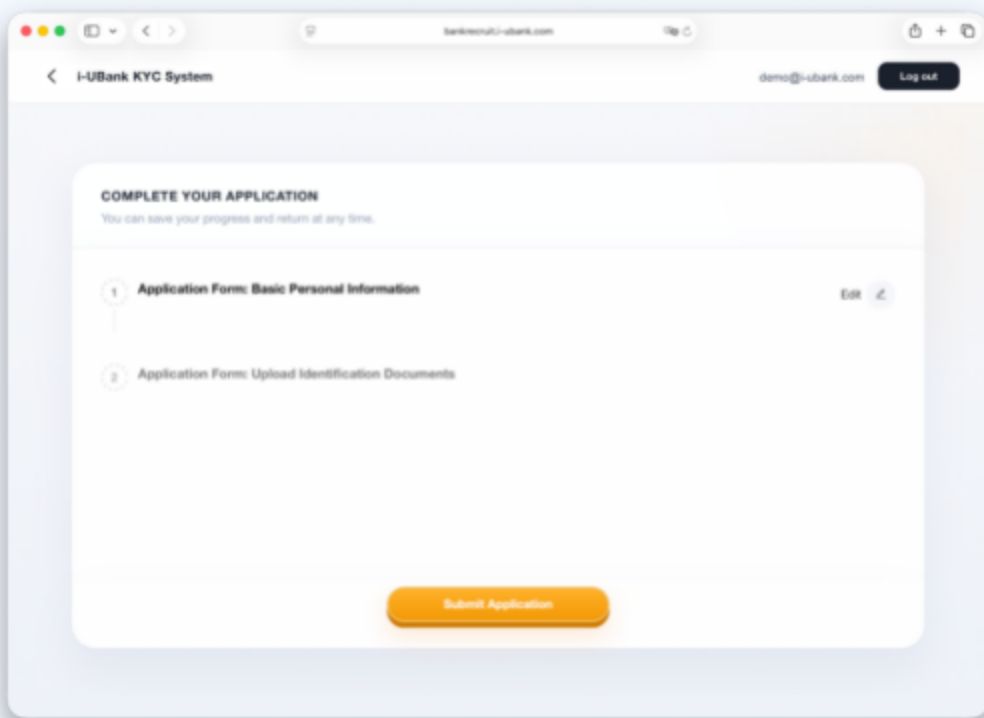

The system will send another sign-in email containing a **6-digit verification code** to your registered email address. Enter the code and click **Confirm** to complete sign-in

Complete the KYC form

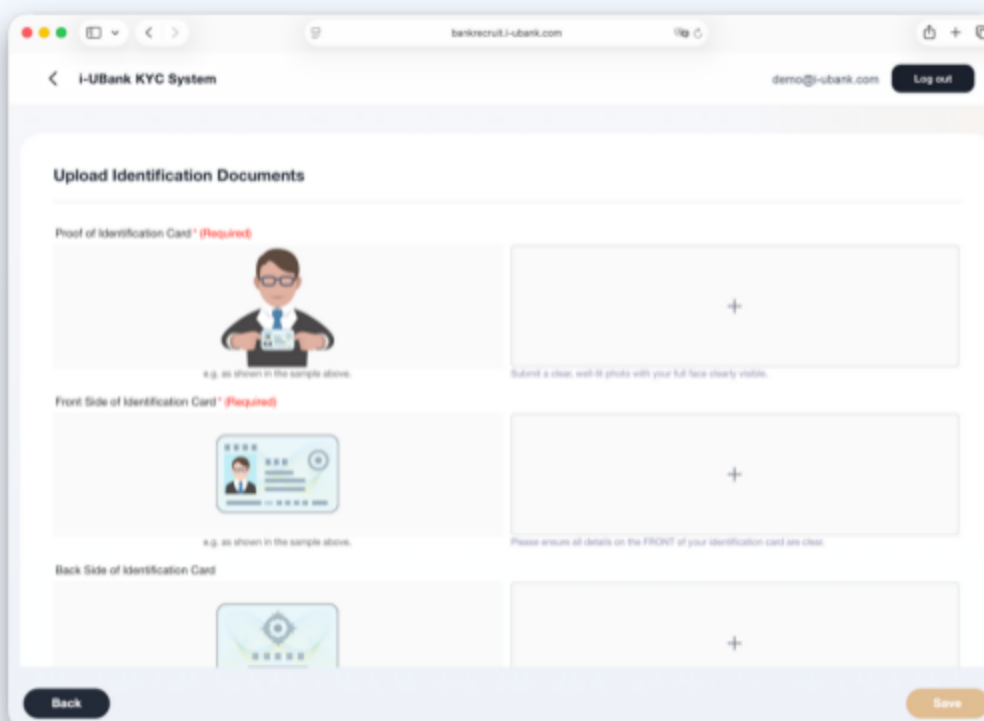

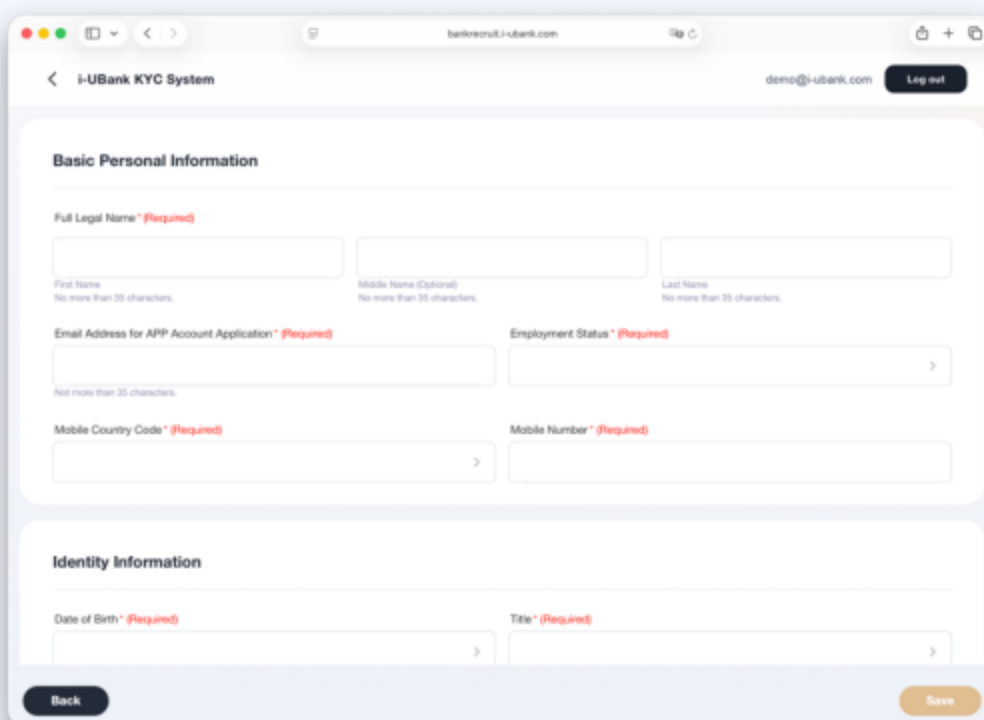

After signing in, select the applicant's **nationality** under the personal account type section, then proceed to the next page.

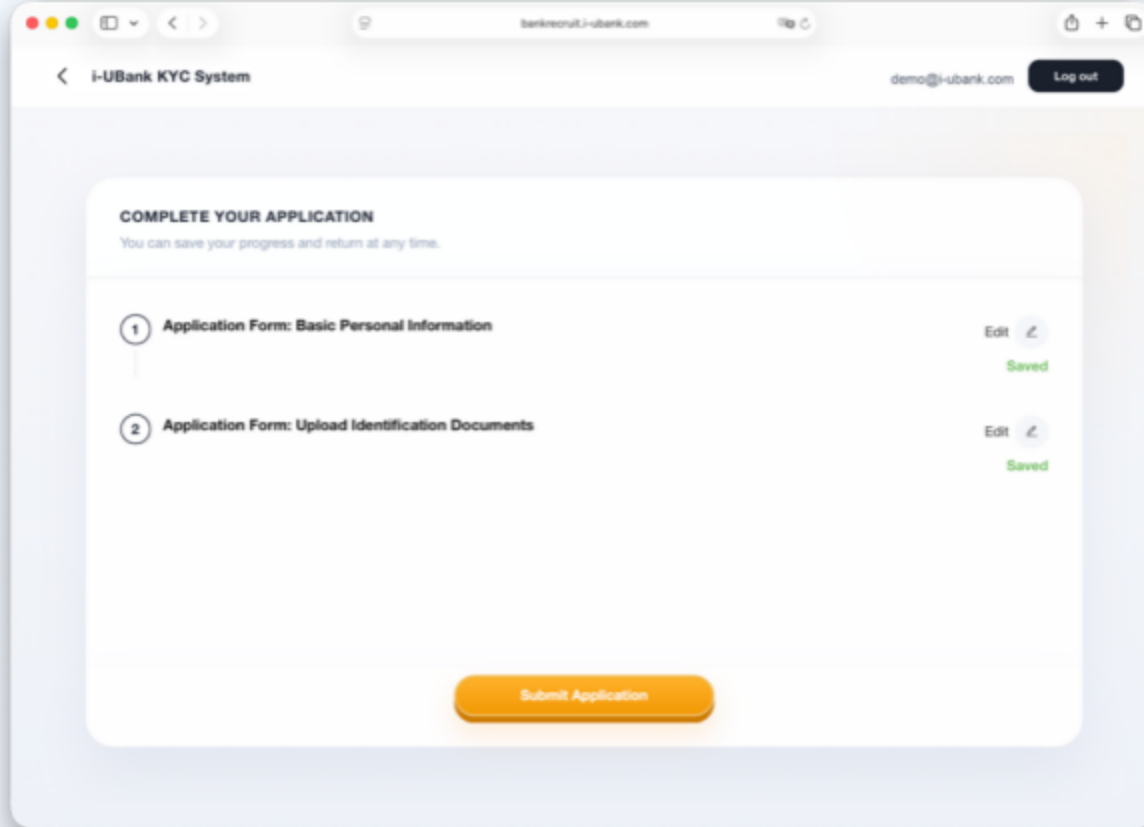

On the formal application page, click **Edit** on the right side of **Application Form: Basic Personal Information** and complete the required basic information.

Note: Before this section is completed, **Upload Identification Documents** cannot be filled in.

After saving the completed form, click **Edit** on the right side of **Application Form: Upload Identification Documents** to upload the required identification documents.

The system will send a verification code to the email address provided in **this application record**.

Open the applicant's contact email, retrieve the code, enter it, and then click **Submit** to complete the application submission.

Please note: this email address is **not** the same as the login account email used for the recruitment system.

Step 3: Wait for Review

Track your application status

After submission, please wait patiently for the review result. You can check the current progress in **Submission List**.

Possible review outcomes

During the review process, the platform may ask you to resubmit documents, provide additional supporting materials, or cooperate with further verification. If the submitted information does not meet the requirements, the application may also be rejected.

Account opening completed

Once the application is approved, your account opening process is complete. A notification email will be sent to the **app account email address provided in the application materials**.

Helpful Reminders

- Please use a valid and frequently used email address for registration.
- Make sure the information you provide matches your identification documents.
- Ensure uploaded files are clear, complete, unobstructed, and free from glare.
- Check your email regularly for verification codes and review notifications.
